Vocabulary

1. Oraphim:

A group of Indigos who downstepped approximately 200,000 YA.

2. Downstep:

Rather than being birthed in, “downstepping” is directly/energetically entering into a 3-Dimensional form or Holograph.

3. Hologram or Holograph:

A Hologram is a 3-Dimensional form that is powered by thought and consciousness.

4. Morphogenetic Imprint

An imprint that is held within the makeup of matter or consciousness.

5. Silicate Matrix:

The matter form in which the human 12-Strand DNA is coded.

6. Miasm

Miasms are distortions within our DNA. These distortions were created by interference by the Fallen Races and result in anti-Kristiac behavior. Miasms are also known as Lower Vibrational Thought Forms or Patterns.

Six Steps Toward Joy With Others

4. Be Effective: Having to be “right” implies making others “wrong” and sets the stage for conflict. Is being “right” more important than creating desired outcomes? Being EFFECTIVE is finding win-win solutions, respecting the rights of all to be exactly who and how they are, even if you disagree. If you do not respect each others’ boundaries and own your own stuff, you will be unable to create mutuality or effective solutions. If others need to make you wrong, recognize the ego game and refrain from engaging. You do not have to justify your existence to others and they do not have to justify their existence to you. **Am I trying to make someone wrong? Is someone trying to make me wrong? Are we respecting each other’s boundaries and right to be? Can I engage this with effective action?**
